# Summer Art Camp 2011

## Weekly day camps for ages 6 – 12

## GREATEST HITS!

Join us on our hits parade and celebrate 20 years of creation and fun! ACA commemorates 20 years of community programs by re-imagining some of the most memorable classes and themes of Summer Art Camp history. The 2011 camp schedule is inspired by "Greatest Hits" selected by parents, former campers, volunteers, and instructors.

**Tuesday - Friday, 9 AM - 2 PM**

**\$90 for ACA members; \$100 for nonmembers**

**Scholarships are available for each session**

**Pre-registration is required**

### Session 1: June 7 - 10

#### Folk Arts Around the World

##### Silly Silhouettes

**Sarah Clare NEW TEACHER**

Explore the folk tradition of cut paper silhouettes with some wacky new twists and some mixed up materials.

##### Steampunkery

##### May Shaw

Steampunk is all about updating Victorian Era arts and crafts with a style that is influenced by science fiction. Create your own steampunk inspired crafts, wearable objects, and more!

##### Moving Around the World

**Simeon Newton SURFSCAPE DANCER**

Travel the world through dance and explore a different type of movement each day.

### Session 2: June 14 - 17

#### Art & Technology

##### Animation Nation

**Steve Hardock IMAGES Artist**

The infamous claymotion class returns! Participants in this all-time-favorite class will create an animated short video using their movable clay creations.

##### Urban Archeology - A Digital Photo Dig

**Shelly Niswonger NEW TEACHER**

Discover the elements of art as you become a photographic explorer! Capture abstract, digital images of buildings, objects, and places. Learn to see the shape and design behind everyday objects.

##### Rhythm & Beat

##### Yvette Harley

Ms. Yvette is back with enough D'Jembes and Djun-Djuns for everyone to play. Learn to drum the rhythms used in our African dance class.

### Session 3: June 21 - 24

#### Meet the Masters

**Meet John Audubon & Walton Ford**

##### Sue Brown

Discover a wild kingdom and learn about famous wildlife illustrator, John Audubon. Then, go wild and create a 3-D creature of your own while exploring the art of contemporary wildlife artist Walton Ford.

**Meet Miriam Schapiro**

**Amy Fernandez NEW TEACHER**

Learn about the bright, whimsical style of fiber artist, Miriam Schapiro by creating mixed media wall hangings with fabric and paint.

**Meet the Choreographers**

**Amber Johnson SURFSCAPE DANCER**

Explore the styles of some of the great masters of choreography such as Martha Graham, Alvin Ailey, and Paul Taylor.

### Session 4: June 28 - July 1

#### Journey to the Unknown

##### Wild Kingdom Creatures

**Sue Brown**

Discover a new species and prove its existence by sculpting your fantasy 3-D creature with papier-mâché and paint.

##### Journaling to the Unknown

**Peggy Imbert**

Tell your story as you paint, collage, and sew mixed media journals with secret hiding places and special messages.

##### Exploring the Unexplored

**Amber Johnson SURFSCAPE DANCER**

Dive into your imagination and explore the unexplored. Go on a journey to space, erupting volcanoes, the ocean, and caves.

### Session 5: July 12 - 15

#### Roaming the Rainforest

##### Exploring the Rainforest

**Cathy Berse IMAGES Artist**

Create your own rainforest adventure game with a returning favorite instructor, local artist Cathy Berse

##### Amphibians of the Tropics

**Sarah Clare NEW TEACHER**

Create a colorful mixed media sculpture of a crazy new species of rainforest tree frog! What imaginative defenses will your frog develop?

##### Monkey Yogis

**Kiki Dabney**

Be tree branches stretched wide; be a camel on a bumpy ride; be like a bird that flies outside. Get in touch with the earth as you learn about the world of yoga.

### Session 6: July 19 - 22

#### A Day at the Beach

##### Ocean Mosaics

**Annemarie Guzman**

Let your imagination take you to the deepest ocean or a sunny beach. Create a unique mosaic using tile, marbles and found objects.

##### Beach Shack Builders

**Brenda Loring-Smith**

Imagine, design and construct your own brightly colored, whimsical mini beach house inspired by Architect Frank Gehry.

##### Sing-Along Luau

**Alaia "Shrimpy" Litowitz**

Sing along to Hawaiian themed tunes, and then collaborate to write original songs with ukulele and guitar accompaniment.

### Session 7: July 26 - 29

#### Enviro - Art

##### Eco-Felties

**May Shaw**

Stitch and stuff a plush creature from entirely recycled, up-cycled, and reused materials, and create a grocery bag gobbler to help you re-use at home.

##### Art of Ecology

**Martha Lent**

Learn about inland, wetland, and ocean environments. Then, create a unique, three-part mixed media work of art.

##### African Dance

**Yvette Harley**

An all-time greatest hit of ACA's summer camp, African dance returns! Dance and stomp to the beat with live drum accompaniment.

### Session 8: August 2 - 5

#### Meet the Masters

##### Finding Bob

**Bryce Hammond**

**FORMER ACA ARTIST-IN-RESIDENCE**

Discover the art of Robert Rauschenberg through experimentation with photography, painting and photo transfer techniques.

##### Meet Alberto Giacometti

**Brenda Loring-Smith**

Experience the world of Alberto Giacometti who has been called "Sculptor of the Soul." Get your hands dirty creating exaggerated figurative sculptures, which will look like real bronze!

##### Meet the Choreographers

**Ashley Sholtes SURFSCAPE DANCER**

Explore the work of more great masters of choreography, and create new moves inspired by famous cinematic choreography.

### Session 9: August 9 - 12

#### at ACA's Main Campus!

#### Outta This World

##### Space Invaders

**Steve Hardock IMAGES Artist**

Create a backdrop of futuristic cities and celestial settings in a variety of media. Then paint and draw yourself in to the picture!

##### To the Stars!

**Martha Lent**

Our solar system is an exciting place full of planets, moons, asteroids, and comets! Create mobiles and play fact filled astronomy games.

##### Maniacs on the Dance Floor

**Simeon Newton SURFSCAPE DANCER**

Break a sweat as you spring on the sprung-wood dance floor of the Roberson Dance Studio and wiggle in the spotlights of the Harris Theater.
