

Embodiology® Summer Program 2021

Presented by ACA Arts & Wellness Academy and Dr. S. Ama Wray
July 21-29, 2021

Join us for an immersive experience at the beautiful environmental sanctuary
Atlantic Center for the Arts, New Smyrna Beach, FL

Program 1

Teacher Training Certification - Module 1 By Invitation Only

Required prerequisites - practitioners must have already completed the 35 hour foundational Embodiology® training.

Module One of the Teacher Training Certification is 6 days of advanced practice, theory, reflective coaching and community engagement.

Program 2

4-Day Professional Development

Calling all transformative educators, movement practitioners, yoga instructors, leadership coaches and somatic therapists. Experience the expansion of your creative capacity to guide others to reach optimal balance in your chosen field; exchange with others in related domains.

\$950 including food/accommodations

Program 3

3-Day Intensive

Calling all Performing Artists - Choreographers, Dancers, Actors, Musicians, Composers and Poets. Engage your bodymind and emerge a more agile and resilient creator. Collaborate with other artists and perform in a final sharing for the local community.
